

TRIPLE CLUSTER 1

3 Large Tipis: 1 at the front & 2 behind

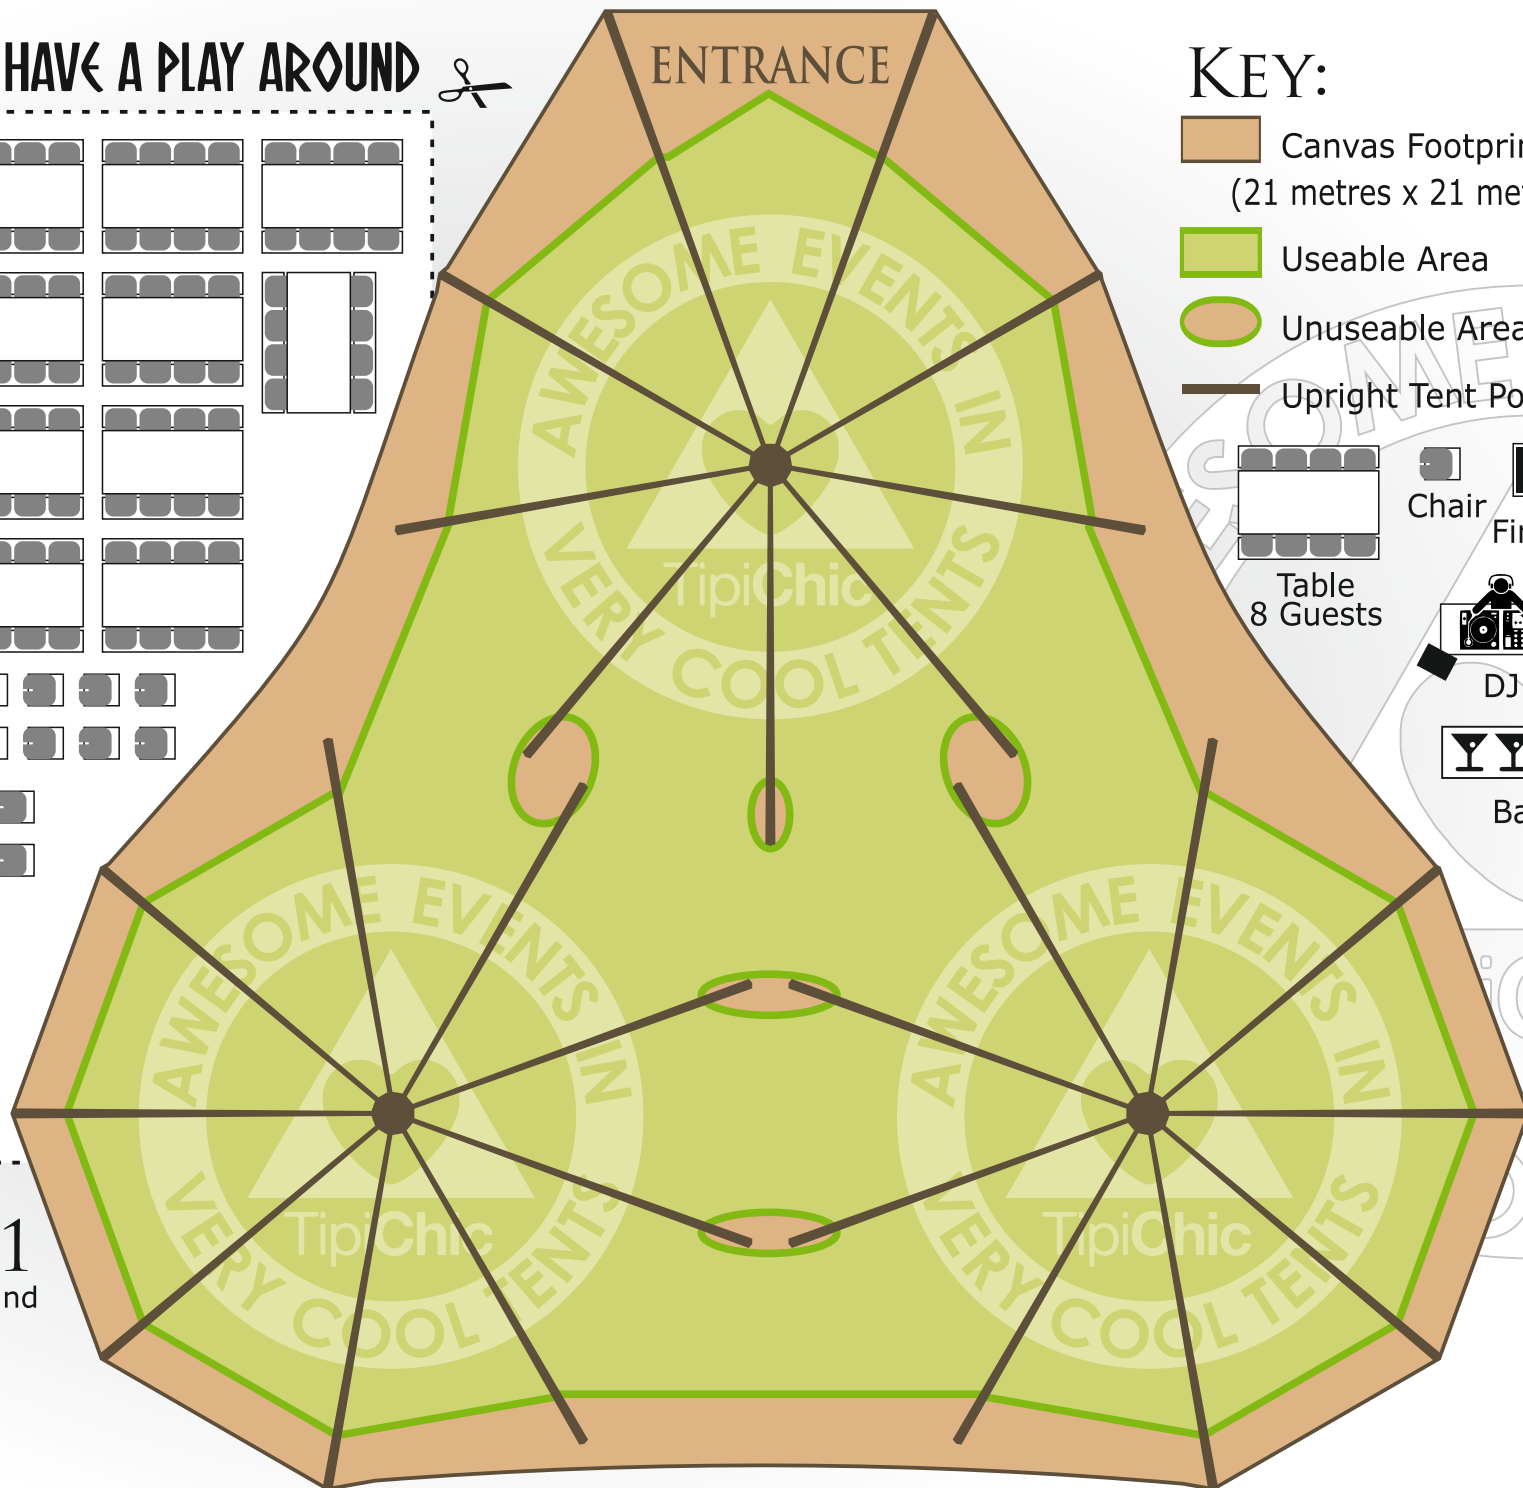

The diagram shows a 3 tent cluster with all of the sides down leaving a single tipi opening as the entrance. This particular example shows a DJ, dancefloor, bar and seats 204 guests. With the sides open there is more room for guests, which would be more suitable for summer events.

TRIPLE CLUSTER 2

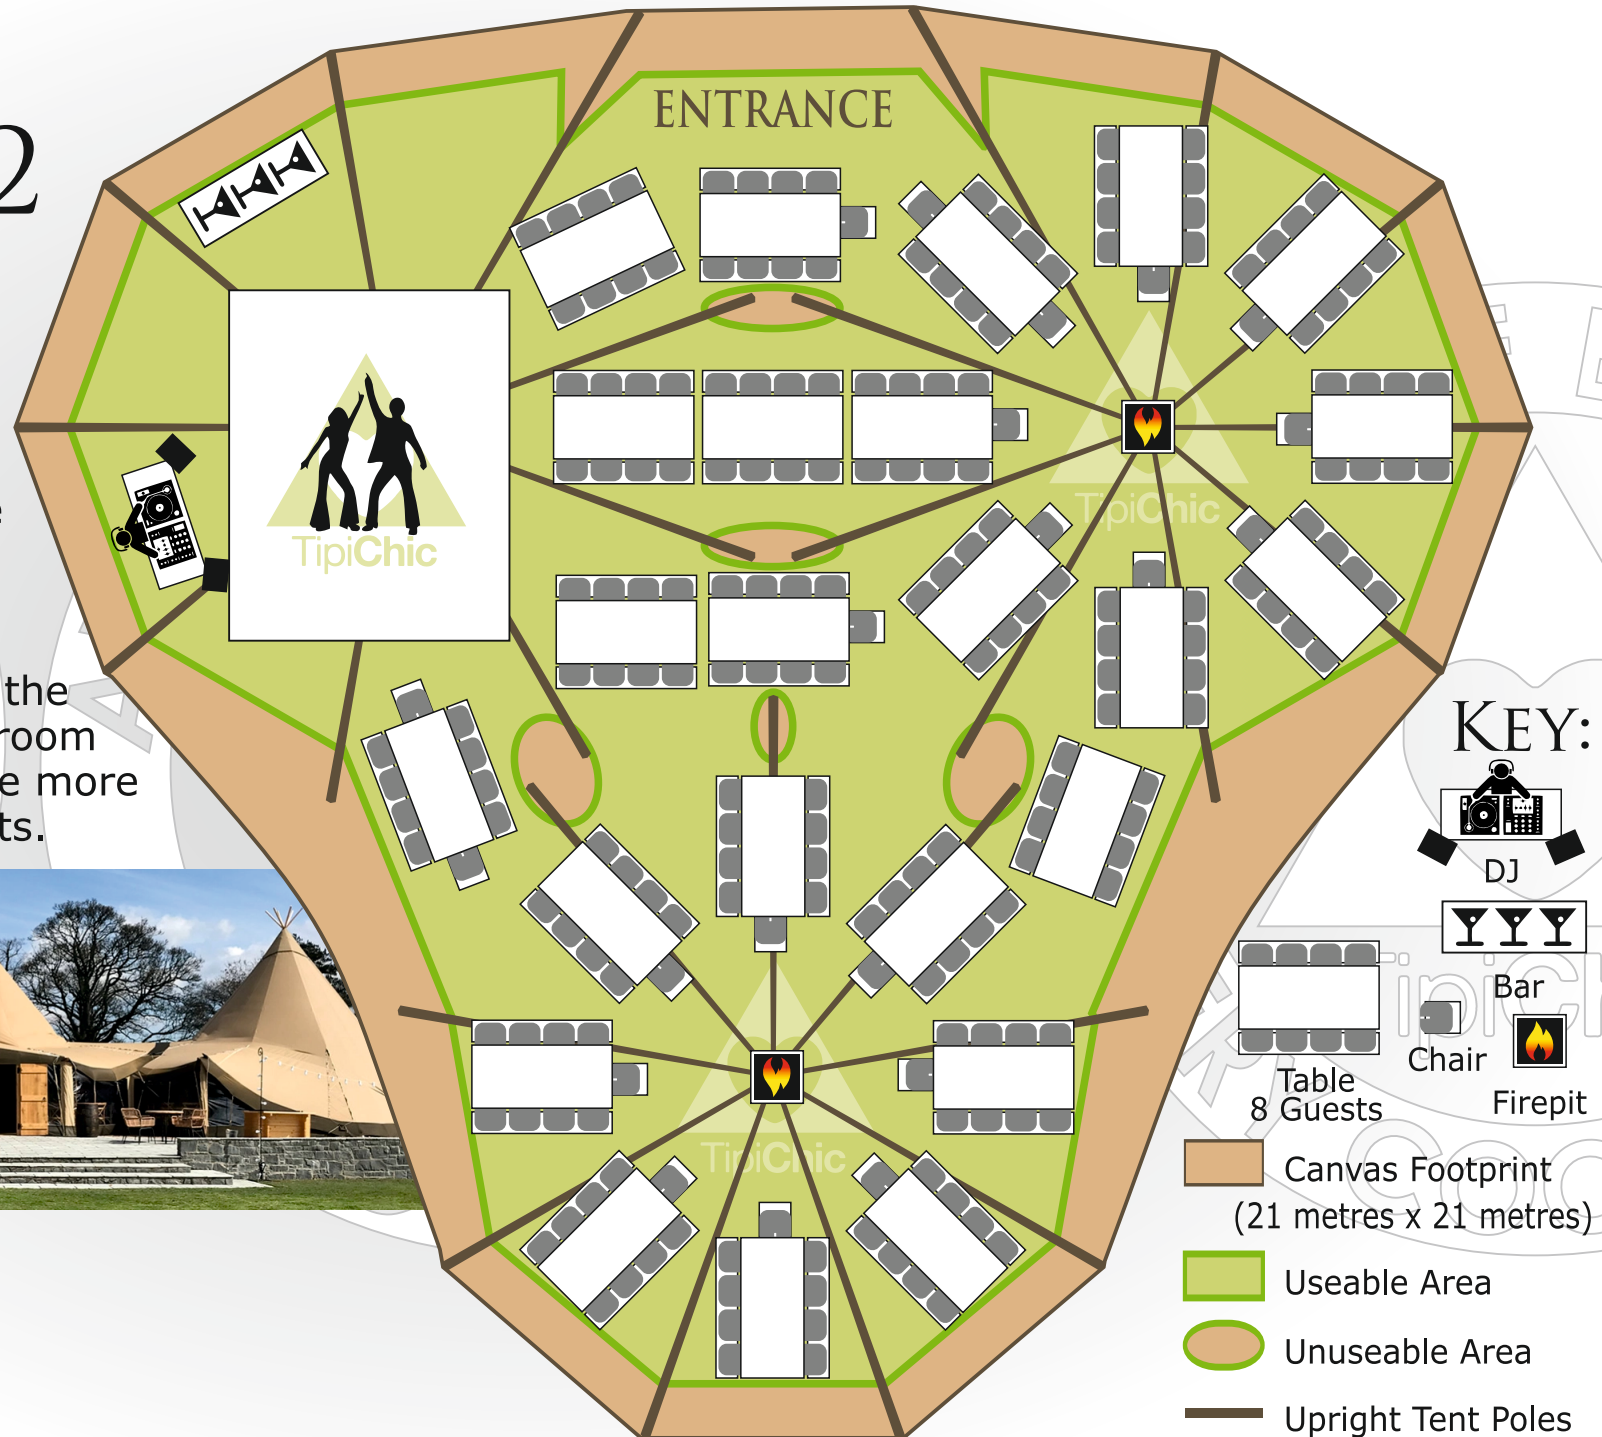

3 Large Tipis:

2 at the front & 1 behind

The diagram shows a 3 tent cluster with all of the sides down leaving a double tipi opening as the entrance. This particular example shows a DJ, dancefloor, bar and seats approx. 200 guests. With the sides open there is more room for guests, which would be more suitable for summer events.
